SCULPTURES BY THE SEA

Friday the 7th November we had our annual excursion to Sculpture by the Sea with Year 11 and selected Year 10 students.

Sculpture by the Sea is one of Sydney's key annual arts events, drawing around 500,000 to the coastal walk from Bondi to Tamarama to enjoy site-specific sculptures by top artists and emerging talents from Australia and abroad. This year's exhibition features over 100 works, 37 of them by first-time exhibitors.

Our students had the opportunity to view all of these sculptures, many monumental in scale, first hand and experience art outside of the classroom and gallery. This excursion is always a highlight of the term and I would like to thank all students who attended with enthusiasm and grace. Also thanks to Mr Nassis for providing a safe journey.

VISITING ARTIST

Our Year 11 Visual Arts students have been working on a collaborative project with Sydney based artist Melanie Khava over the past few months. The project has been an interesting culmination of ideas and art making methods to produce 14 small boards which have been painted by both the artist and the students at separate times in different locations. The artwork involved concepts around connection and renewal and will be exhibited locally over the coming months. We would like to extend our thanks to Melanie for taking the time to visit our community and engage with students in contemporary arts practice.

REMEMBRANCE DAY 2014

On Tuesday, 11 November, Kandos High School commemorated the armistice that signalled the end of World War 1 on the Western Front. The treaty for the cessation of hostilities was signed between the Allied powers, of which Australia was an active member in support of the Crown, and Germany. The agreement came into effect at 11:00am that day, with the guns falling silent at last. The KHS ceremony was an accordingly sombre one, with students and staff showing their respect for the losses war inevitably incurs on us all. Special thanks must go to the students who conducted the assembly; Grace Murphy, Riley Murphy, Claudia Fuller, Jayden Taylor, Tylanda Murray, Matthew Large, Ashlie Campbell and Shellie Campbell. Special thanks also goes Mrs Turner, Mr Bowen and to Mrs Fuller for her organisation.

YEAR 9 SCHOOL CAMP

Year 9 went away to the Great Aussie Bush Camp at Tea Gardens during Week 4 this term. The students looked terrific dressed in mud and most vertically challenged themselves at every opportunity. Impressive were those who vertically challenged themselves in spite of vertigo and its overwhelming symptoms. The resolve of the group to put aside petty differences during those heart-in-mouth moments and barrack each other on was simply beautiful. Well done Year 9! Your attitude and conduct was a credit to yourselves, your families and your school.

A massive thank you also goes to the magnificent supporting cast of Mr Nassis, Mrs Bainbridge and Mr Monaghan.
