POP-UP RESTAURANT

The theme for our Term 3 restaurant was 'Theatre Restaurant', with the cast and crew of our upcoming musical Hairspray, performing items from the show.

Diners were treated to an alternate drop menu of stuffed chicken breast or whole roast rump, with roast vegetable salad, and apple roses or pavlova for dessert.

There were over 100 diners catered for and students from the school's Catering Crew prepared and served the meal.

Thank you to the parents and staff who helped stage the event.

Students also participated in a workshop where they created automatic drawings, which was really fun.

A big thanks to all who attended with positive input it was an awesome day. A visit to this exhibition is highly recommended.

YOUTH MOTO WORKSHOP IN KANDOS

Mudgee PCYC is excited to announce that it will soon be offering Youth Moto Workshops in Kandos.

This initiative aims to provide local youth with practical skills and experience in the area of motorcycle mechanics, hopefully assisting in future long-term employment for the target market.

Mudgee PCYC - Youth Moto Workshop will operate on a weekly basis, during which members will participate in the restoration, repair and maintenance of club owned motorcycles. Members will also be given the opportunity to work on their own private motorcycles, with full access to club facilities and expertise.

For those wishing to become a volunteer please note that you must have a current working with children check (this is free and easy to obtain) and you will also need to undergo a police check to assess your suitability. Volunteers will also need to become members of Mudgee PCYC which incurs a fee of \$20. Application forms and instructions on how to become a member of PCYC are available at the office of your school.

Similarly any students who wish to become involved in the workshops will need to become members of Mudgee PCYC. A fee of \$10 applies and application forms can be obtained at the school office.

If you do not wish to, or are unable to volunteer, but wish to assist by way of a donation, or if you have an old, run-down motorcycle which you wish to donate to the club please contact Mudgee PCYC. Any donation over \$2 is tax deductible and will go a long way to supporting your local community.

As a way of canvassing interest and projected numbers for the workshops, could you please complete the form which was given to each student or is available in the front office, and return it to your school.

If you require further information please don't hesitate to contact Mudgee PCYC on (02)63721367.

Here's some comments from Youth Councillors;

Nicola: It's a great opportunity to help the community and to make new friends.

Brody: Youth council is a very rewarding experience and worthwhile time. You get to learn and experience how formal meetings are run. It's a good chance to help get what you and your community wants done in your town and region and talk about your opinions in a non-judgmental environment. Most employers would find this experience a plus when looking for new employees.

Louise: I have enjoyed being Youth Mayor as a student and now that I am in the workforce. My employer is supportive of my involvement and I have a greater understanding of the lives of young people in our region.

Eddie: It's been great getting involved in running events in different places within the Council area. I have learnt lots and had positive responses to what Youth Council has been doing.
