CONGRATULATIONS TO OUR NEW SCHOOL CAPTAINS FOR 2019

Congratulations to our newly elected School Captains Brody Munday and Shannan Norbat, and Vice Captains Eliza Quarmby and Harrison Cunningham!

We are so proud of these outstanding young adults who will lead Kandos High School into 2019.

LEGACY

Once again a large contingent of students from Kandos High School showed their exceptional attitude towards volunteering by supporting the local Legacy organisation.

The selling of badges and other merchandise was undertaken in both Kandos and Rylstone helping to boost the fundraising capabilities of the small hardworking group.

Students were thanked for their continued efforts and presented with certificates recognising their participation.

STUDY SKILLS HANDBOOK FOR OCTOBER

For many students, a block of examinations can be daunting. Some students have no idea where to start and what they should work on. The first thing to do if you have examinations approaching in the next few months is to find out what topics will be tested.

Even a simple question to teachers can get you started such as 'are we being tested on the whole year's work or just this semester?'. Once you know what topics will be covered, organize all of your learning materials and make sure nothing is missing and you have everything you need to review those topics.

The next step is to make study notes on these topics if you haven't been doing this throughout the year (hopefully you have!).

You can visit the SUMMARISING unit on the Study Skills Handbook to learn more about making effective study notes.

Next it is time to start learning the notes (testing yourself on them over and over) and doing practice questions to make sure you can apply your knowledge to different types of questions.

The ACTIVE STUDYING unit will give you lots of ideas on different study techniques to help you achieve your personal academic best.

If you have a number of weeks prior to the examinations, it is a good idea to make a plan in your diary or phone or on a whiteboard of what subjects you will study when. Try and allocate each subject once or twice each week, depending on the number of examinations you have.

The PREPARING FOR EXAM BLOCKS unit explains in more detail how you put together a study plan for exams.
