Term 4 Week 2 2019

PRINCIPAL'S MESSAGE

WORLD TEACHERS DAY

Today we celebrate World Teacher Day. The day provides the occasion to celebrate the teaching profession worldwide and in our local community. Most countries around the world celebrate World Teachers' Day on October 5, however, because this date usually falls during the Australian school holidays, we celebrate World Teachers' Day on the last Friday of October instead. You only have to look through our Kandos High School newsletter each fortnight to see the wonderful activities our staff coordinate across academic, sporting, creative, performing arts and agricultural areas. Even though we are a small community there are many vibrant activities that occur throughout the year which our students are able to participate in. Teachers spend a lot of their hours planning, organising and completing administrative responsibilities to support these engaging learning activities and experiences for our students. Well done for those efforts and in your conversations don't forget to remind them they are greatly appreciated.

FAREWELL YEAR 12

Last term saw us formally farewell our current Year 12 students whom we have seen coming in for their HSC examinations looking very much like young adults moving on with their lives.

It is both an exciting and sad time, but we look forward to catching up with them and hearing the tales of their journey in the future. Many thanks to Ms Therese and Mrs Fuller for providing guidance and supporting them in the role of Year Advisor. And a big thankyou to all staff who have got them to this final transition point. We hope you bask in the glory that school is officially over and we will see you to celebrate at Parklands resort on the 16th of November.

SENIOR LEADERS 2020

On our Year 12 Farewell assembly, we officially welcomed the elected School Captains and Vice Captains to their roles. We also acknowledged all the nominees who pushed themselves out of their comfort zone to prepare and deliver a speech in front of the school, which focused on their skills, experience and areas they feel passionate about advocating for in their role as leaders in the school community. All speeches were delivered with great poise and were all very individual and unique.

Our team of nominees were:

Jesse Daniel, Jessie-Lee King, Zowee Roberts, Corey Armstrong-Lane, Kendall Goldspink, Jasmine Kernaghan, Bethany Vidler, Tess Botham-Barnes, Corey Witcher, Aly Jupp. Congratulations to our elected Captains: Corey Armstrong-Lane and Bethany Vidler (Captains). Zowee Roberts and Corey Witcher (Vice-Captains).

This is an amazing group of young people and I would like to congratulate them all and I look forward to working with them over the next year.

CURRICULUM STRUCTURE 2020

The timetable team is in overdrive trying to solve what is the greatest puzzle in every school during last term, that must be solved for the start of the next year. It is not an easy task to schedule classes, staff and rooms. Fortunately we have come along way from having matrixes hand drawn and paper on walls, technology takes our data and resolves the schedule, but not without little gremlins that only human logic can detect. The Executive team has been analysing feedback from parent/student/staff surveys and school data on student achievement to ensure we provide support to students in the areas of need and as broad a curriculum as we can given our small context. We are looking at restructuring some of our additional programs such as Roll Call, Positive Behaviour for Learning and Technology to maximise student engagement in learning and to support the identified literacy and numeracy needs of our students. Further information will be provided as this evolves.

SCHOOL CANTEEN - MAKING THE HEALTHY CHOICE THE EASY CHOICE

A warm welcome and many thanks to our successful canteen licensees, Mrs Simone Norbat and Mrs Julie Lewis who have been able to provide a continuing service to our students upon the return to school. Part of the canteen tender brief was to provide cost effective and nutritious options. The Department of Education supports a Healthy School Canteen Strategy, all NSW schools are increasing the healthy food and drink options to more than 75% by December 2019. Simone and Julie will be at the canteen, Monday to Friday, from 7.30am to 3.20pm. The new phone number for the Canteen is 0474 247 364.

More information for parents can be found on the websites. <https://healthyschoolcanteens.nsw.gov.au/>
